

Dear Resident/Alumnus (a):

The past five years have been a time of unprecedented growth at North Attleboro High School. As alumni, we recognize that an education from North Attleboro High School is a gateway to opportunity. North students continue to benefit from an exceptional educational experience that is both career shaping and life changing.

**There is no better way to continue North Attleboro’s tradition of creating opportunity than by making a gift to the North Attleboro High School Alumni Association.**

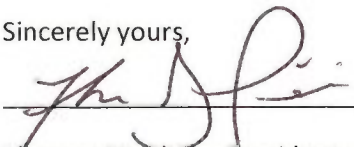

The Association provides immediate support for one of the school’s most important priorities—technology--because we realize that technology is no longer a luxury, but a necessity. It provides an immediate opportunity to enhance curriculum, which leads to improvements in both teaching and learning. The high school is 80% WiFi right now and our goal is for every student to have a laptop and take full advantage of its wireless capability. We are striving for a 1-to-1 (student to laptop) ratio and right now we are very far from it.

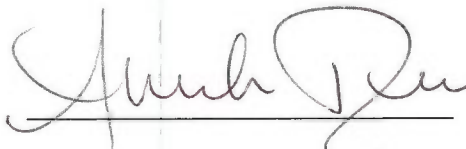

- **Current State: 7-to-1 (student to computer) ratio and only 25 laptops in entire school.**
- **Existing computers over 5 years old and only teachers have a computer in the classroom.**

A quality education like the one our students deserve, and that North Attleboro teachers are dedicated to deliver, requires considerable resources. That’s why your gift to the North Attleboro High School Alumni Association is so important. The amount you give matters, but what’s most important is that you give something. Alumni support is a key indicator of a strong school system and sends a positive message to the students.

Please join me in making a gift, of any amount, to the North Attleboro High School Alumni Association today. Our North Attleboro education was a gateway to opportunity for us, and together we can open the doors to opportunities for other students.

Sincerely yours,

  
Thomas Pirri '02 – President

  
Amanda Dean '05 – Fundraising Chairwoman

**Create Opportunity: Give to the North Attleboro Alumni Association today.**

**North Attleboro High School Success Stories**

**Boston Magazines “BEST SCHOOLS – Education Issue”**

- In 2011, North Attleboro was one of three schools to have the Highest MCAS scores in 10<sup>th</sup> grade Science.

**Advanced Placements**

- Student AP enrollment has increased from 104 students in 2009 to 207 students in 2013; this is a 99% increase.
- The number of AP Exams administered at our school has increased from 144 exams in 2009 to 355 exams in 2013; this is a 147% increase.
- The number of qualifying AP Scores earned by our students has increased from 78 in 2008 to 113 in 2012; this is a 45% increase.
- The increased enrollment has led to the district’s selection to the **AP District Honor Roll**.
- NAHS is one of 18 schools in the state that have qualified for an **AP Stem Access Program** that provides funding for new Advanced Placement math and science courses and is funded from a grant from Google.
- **North Attleboro High School is the only school in the state selected for both the AP District Honor Roll and the AP Stem Access Program.**

**Science Lab Grant**

- NAHS is the proud recipient of a \$6M grant for the renovation of the NAHS science labs, the first major upgrade to the school since it was built in 1973. The project is expected to be completed in September 2013 and will include 12 state-of-the-art science labs with new furniture and technology.
